Sub / generalization about legal time limit

Dear sir,

According to un commitment with legal time limit have deal with our kimadia company so , it must be clarify the necessary limit for contract signature from rewarding to signature the contract beginning and the rewarding little issued .

1-at issued the rewarding little through (7) days work from the central committee for reviewing of Enders mint omit of should be including following data

A-the required period for signature the contract considering.

B-the name of bidder who assign the contract , address, phone , e-email , name no. of the invitation , the rewarding amount , the implementation period ,the central start date ,per for man bond and any required staff .

2-After the bidder report in rewarding little should be committed in contract sign with (14) days work from date report awarding little.

3-If the period of contract sign has been contract sign the bidder would not sign the contract , so it will be suave warning him to sign the contract with (15) days from the date warning little .

4-the contract period assignment expiration which it (15) days will be take all leg of pro cardings according to the article (10) from implementing regal adieus of government contracts no (2) for 2014
